

Department of Fine Arts

About the department

We are living in the epoch of artistic creations and aesthetic activities, where everything is expected to be presented in the grab of adornment. The fine Arts programme here is focused on individual progress and achievement with the freedom the explore and workshop practice across a broad range of skills and techniques. The students are encouraged to identify their own personal vision and style. Dev Samaj College is one of the best colleges of Punjab. Which has the privilege of introducing Fine Arts as one of the Optional Subject for the benefits of student community. The department of Fine Arts was started in the year 2003. Mrs. Anita Kakkar was the founder lecturer.. Teachers encourage the students to develop their interests and styles, and participate in exhibitions

Objective, goal and vision of the Department

There is a plan of our college to introduce Masters in Fine arts so that students from rural areas will get the benefit, which had to go too far places for their master degree. We aim to develop the students as independent, cooperative, responsible creative artist with a lifelong interest and ability in luring. We believe that these skills and qualities will prepare our students to pursue further educational goals and allow them to contribute to the life and well-being of society as a whole. There is a plan to have a well-established art gallery in college campus so that students may get ample space to display their art work. Our aim is to introduce BFA, MFA and History of Art in our department. We are planning this so that knowledge of our students may get enhanced with European Art, Roman Art, Gothic Art, Indian Art. The Art history is designed for the student to explore the art of past civilizations as well as

Year Of Establishment

The department of Fine Arts was started in the year 2003.

Main feature of the Department

Fine Arts Department is having three labs in which still Life, life Drawing and Clay Modeling is done. For every subject the material required is of high quality and available with the department. Easel is required for on the spot painting is of modern technology. For still life and life drawing models are of high quality. The furniture required for the students is available of high repute, on which students can work with complete satisfaction. In the department every facility is available which the students need. Timely support of Principal Dr. Sangeeta had made this department the high up in the sky. Various Foreign authored books are collected to heave up the skills of the students as well as faculty.

Highlights of the Department

The fine arts department mainly focuses on the individual progress of the students in the field of fine arts. The department encourages the students to identify their own personal vision and style. In order to develop among them the sense of a seminars are frequently organized in the college

campus. Various issues or problems are exhibited with the help of a variety of painting which give a natural expression of the mood according to it. The Department has organized the Workshops, Seminars, exhibition time to time. Teachers of the department take keen interest in motivating the students and inspire them to actively participate in academics as well as culture activities. The Department invites experts which give insight and deeper knowledge to the student. They teach experimental approach of learning which motivates the students to develop new ideas and techniques in their work. The Department organizes various seminars which gives the students in depth theoretical knowledge. In addition to it the students are involved in various social activities like blood donation, Tree planting and some students are part of the NSS, NCC.

Cultural Activity Growth

Student achievement measures the amount of academic content a student learns in a determined amount of time. DSCW has made a mark as an institute of learning that has and would continuously strive towards excellence in academics as well as other spheres of education. The all round performance of fine arts students has been very comprehensive and gives picture of the overall development of the children. Our students have brought laurel under the guidance of their teachers. Students of Fine Arts have shown excellent performance in various genres of arts. Students were awarded prizes of their remarkable achievements. Student of Fine Arts Department brought laurel in 2014-2015 by getting first position in Collage Making at University level and got opportunity to be Colour Holder. She also showed her brilliant colours in Inter University Fest organised by Jammu University.

In 2016-17 another student got Second position in Cartooning at Inter zonal competition. Thus we are also hoping the same for our brilliant and artistic students on future. Our department wants to chisel the potential of students for their bright future.

Future Vision of the Department.

To open up avenues in various fields like Animation, Graphic Design, Print Media, and Mix Media in Feather, The Students from rural areas will get the benefit, which had to go too far places for their studies. The department also wishes to open digital labs so the students get become expert in their field.

Transformation of any individual's life through this Department.

Fine arts department transformed my life from a student to lecture. It was a privilege for me to be the part of this institute for women during the golden days of my life. I was greatly impressed by the faculty, atmosphere, Principal Dr. Sangeeta as they imparted highest quality of the education to the students which tremendously influenced me in my college time. Not only had this but innovative and imaginative approach to build up the Fine Arts Department too influenced me. This department has given me a chance to discover my talent and because of it I am on this position.
