## UG Department of Sociology

Department of Sociology commenced its path to success in the year 2013 as an optional subject offered in the humanities and Social Science. The Department started its journey as an elective subject for the students who opted for it in the Bachelor of Arts, with the strength of 33 students. With the passage of time, Sociology started achieving fame and favorable reputation from the student's end. As the number of students in this subject is increasing, the department of sociology is on its way to attain the status of excellence. At present, the Department has the honor of educating more than 91 students in the different dimensions of social science.
