## **P.G. Department of Punjabi :-**

Punjabi is the mother tongue of PUNJAB. It is not only a medium of communication but also the source of our heritage, religious, cultural and historical assets of the region. To preserve and promote these assets and to teach Punjabi language and literature, the Department of Punjabi was established in the year 1936, as teaching department of DSCW. Since then the Department has been making consistent efforts to make this language popular at the national and international level to elevate the status of Punjabi language and culture.

The Department offers an opportunity to learners for higher studies in Punjabi. Besides offering the core courses available in other colleges, it focuses on some of the emerging areas of Punjabi that are expected to be extremely useful in the present scenario of economic liberalization and globalization.

The students of this Department show great participation in various inter-college competitions including Punjabi Debate, Declamation, Essay Writing, Poetry Recitation and Quiz competition, etc.
