

About Post Graduate Department of Cosmetology & Health Care

The Postgraduate Department of Cosmetology and Health Care started in 2012 as an innovative multidisciplinary course with a vision to empower women and make them self reliant. DSCW is the first and only college in North India to successfully run M.Sc in Cosmetology and Healthcare.

The Department is flourishing well with the further introduction of B.Voc. (Global Professional in Beauty and Aesthetics), Diploma and Advance Diploma; and Add-On courses in Beauty and wellness.

The Cosmetology and Health Care industry has taken the world by a storm. Today, the Department has reached the pinnacle of success with 100% placements every year. The Department has the best infrastructure and is a highly organized and coordinated unit with state-of-art sophisticated labs and most advanced training equipments and technology. The contents taught in these very innovative and demanding courses are a fusion of inner 'health' and outer 'beautification'. The Department aims to build confident professionals who are highly skilled, yet strongly rooted in values.
